MORE INFORMATION ABOUT REC

MISSION

Greater Fall River RE-CREATION improves lives by providing programs and services for residents of all ages to thrive. While we focus specifically on socially and economically disadvantaged and at-risk youths, we also offer various programs that provide rich and collaborative learning experiences for all participants.

VISION

We envision all individuals in our community with the resources they need to be healthy, safe, and successful. With our new facility, we will also strive to be a catalyst for economic growth in the city, housing several public and private organizations,and becoming a premier center for events.

VALUES

We're committed to delivering all programs, services, and events in a safe and nurturing environment so that everyone can build self-confidence and reach their true potential.

GIVE!

Giving to RE-CREATION is an influential way to help the youth of the community build a bright future!

Visit WWW.GFRREC.ORG to support our local youth!

Family Service Association has a contract from the Department of Children and Families (DCF) and the Executive Office of Health and Human Services (EOHHS) to provide a Family Resource Center for the Greater Fall River community.

The Family Resource Center is a community-based, culturally competent program that provides:

- FREE: Evidence-Based Parent Education Groups
- FREE: Grandparents Raising Grandchildren Support Groups
- FREE: Parent Support Groups
- FREE: Toddler Reading & Activity Groups
- Info and Referrals for Basic Needs, Health-Related Services and Family/Mental Health Supports
- Educational Support and Other Opportunities for Children and Families
- Provide assessments and services specific to Children Requiring Assistance (CRA) who are having serious problems at home and school, including runaways, truants and sexually exploited children

YouthBuild® U.S.A. FALL RIVER CAMPUS

CALL TO INQUIRE 508-678-1975

Old Colony YMCA YouthBuild Fall River is a comprehensive youth development program that allows young people between the ages of 16 and 24 who have not been successful in school or in the workplace a chance to plot a new course for their lives!

Students alternate weeks between an academic setting and a vocational one. They are working toward the attainment of their GED while learning vocational skills that will prepare them for future employment.

The students will complete the construction of new single family “green-built” home to be sold to a low income, first-time homeowner.

GIRL SCOUTS

"BE YOUR ON SUPERHERO" & "STEAM DETECTIVE"

girl scouts

The Be Your Own Superhero program was designed to introduce girls to the many areas of science with a Super Hero focus. Girls will be conducting fun experiments in the fields of Chemistry, Electricity and Density. The STEAM Detectiveprogram was created to give girls the opportunity to put their detective hats on and explore different sectors of the Forensic Science field. Girls will learn about the power of observation, analyze clues like fingerprints and handwriting and put all of their skills together to solve the ultimate mystery. By joining this program, you'll also officially become a Girl Scout member!
